Taste This white wine shows citrus color and the Freixenist "terroir" is reflected in the aroma, with notes of exotic and citrus fruits, with noble mineral character. On the mouth shows good structure, freshness with a long flavorsome finish.

Pairing tips Serve chilled pairing with fatty fish, cod, seafood, white meats or cheese.

Origin Among the best vineyards around Freixo de Espada 3 Cinta village, in the Douro Superior, we selected native grapes varieties for our Reserva White.

Exclusive grape sourcing from the vineyards of our grapegrowers, planted in the Douro Superior, in the same area that also belongs to the Douro International Natural Park, mainly schist soils.

We try to capture the freshness and flavors of the grapes collected in the higher altitude vineyards around the Freixo de Espada 3 Cinta village, at an average altitude of 600 meters.

Vinification Handly picked grapes, cold fermentation technology on reductive environment, with controlled temperature at about 16 3C, very gentle crushing and pressing in an inert atmosphere to preserve all the aromatic potential of grapes. Part of the wine fermented in used French oak and remains there after a short racking on fine lees with regular stirring "battonage" to the making of the final blend with the wine in stainless steel tanks.

Fermentation and aging in French and American wood with "battonage" until the filling.

Alcohol 13,5%
